Dear Drs Leibowitz, Tordjman & Glasberg
Dear Gil, Karen and Simona
Dear members of the Israel Endocrine Society

I wanted to write to send my support and sympathy to all affected by the terrible events which have taken place over the recent days. I know I also represent the entire endocrine community in expressing my sadness to everyone affected and to let you know that we are thinking of you.

Please let us know if there is anything we can do to support you at this very difficult time.

With warmest best wishes

Jérôme Bertherat
ESE President

On behalf of the European Society of Endocrinology community
